Supervisory Board

Functioning and Effectiveness

Effectiveness

- The SB held **14 meetings** in 2025, and **6 executive sessions** vs **11 board meetings** in 2024 (including 7 executive sessions)
- **Induction program** rolled out for the newly onboarded SB members
- **Ongoing training** programs related notably to cybersecurity, global energy challenges and sustainability reports
- **Effective oversight:** structured working schedules with the Management, strategy meeting

SB Assessment

- The outcome of the **annual self-assessment** was presented to the SB in June 2025 by the chairwoman of the compensation, appointments and governance committee.
- **A new formalized, external, triennial** and in-depth **review of the SB was launched end 2025**, under the supervision of the SB Chair and the Compensation, Nominations and Governance Committee Chair, covering both the collective functioning of the SB and the individual contribution of SB members. Key takeaways:
 - The SB is balanced, in terms of size, diversity, skillset, independence and can adequately fulfil its missions
 - Satisfactory overall composition and functioning of the SB and its committees and involvement of SB members
 - Most areas of improvement identified in the past were implemented (for instance, information at least once a year of the succession plan, setting up of annual work programme, etc.)
- **Areas of improvement** were identified
 - Functioning in terms of preparing and circulating information
 - Culture of collective learning (executive session, periodic feedbacks, etc)
 - Prospective work around the size and the composition of the SB

Strengthening of the Board missions

- **Amendments** introduced in Sept. 2025 **to the Supervisory Board rules** as well as the Audit and CSR Committee rules **specifying the conditions of intervention of the Management Board:**
 - In setting the agenda for SB meetings (the Chairman of the SB sets the agenda for the Board meetings jointly with the MB)
 - In the SB's decision to create a specialized committee (the SB decides, jointly with the MB, the internal organization that best enables it to carry out its duties)
- **These amendments complement the strengthened missions of the SB** crystallized in the internal rules of the Board in Oct. 2024:
 - A prior opinion on major transactions (>EUR100m) and strategic transactions
 - Yearly examination of the Group's strategy (or at each update) and budget (and its main parameters)
 - Yearly Information on the Management Board succession plan
- In past years: **increased interactions with the management, Off-site visits**, key role in the **dialogue with shareholders**
- Development of the Audit and CSR committee's role on **sustainability reporting**

Compensation Policy for 2026

Synthesis of the main amendments (**resolutions 17 and 18**) see also details on slides 24 to 30)

Applicable to all Managing Partners

- **Amendments to some performance criteria**

Strengthening of sustainability criteria

- Stricter objective relative to safety criterion
- Enlarged perimeter of the climate-related criterion to include Scope 3A

Applicable to Jean-Christian Bergeron and Marc Jacquot

- **Stronger incentive on the STI**

Introduction of a target STI distinct from the maximum STI

- Target STI = 80% of the fixed compensation
- Max STI = 100% of the fixed compensation, subject to over achievement of the financial objectives

- **Portion of the performance assessment at the hand of the CAGC on key aspects of the management and strategy of the Group**

Introduction of 10% qualitative criteria in the STI

- Related to the implementation of the strategy
- Related to Human Capital Management

- **Maintenance of a balanced pay-mix**

- 1/3rd long-term oriented at maximum
- 2/3rd subject to performance conditions at max.

Updated benchmarking exercise

- Pay mix consistent with the average structure of the updated selected panel of peers

- **Well positioned package**

Positioning of the global package

- Remains at first quartile for Mr. Jacquot and slightly above first quartile for Mr. Bergeron, below median.
- At maximum, theoretical opportunity increase of 7%

- **Possibility of exceptional compensation**

- Circumstances would be disclosed and justified
- Compensation would be subject to shareholders' approval

Introduction of a potential exceptional compensation

- In case of exceptional circumstances
- In shares subject to performance conditions over 3 years
- Capped at 100% of the fixed compensation

05

General Partners' statutory dividend

General Partners' statutory dividend

Aligning interests with shareholders

- The status of General Partner confers a statutory right that can be valued in light of the corresponding liabilities as described in article 15 of Rubis by-laws
- A statutory dividend, aligned with shareholders' interests and subject to conditions, is attached to this right

- 
- A large, solid red arrow pointing downwards, centered on the page, indicating a flow or continuation of information from the top box to the bottom box.
- The General Partners receive a dividend for a Relevant Financial Year equal to 3% of the Total Shareholder Return, if positive, of Rubis' shares, subject to high water mark
 - This dividend may in no case exceed 10% of the Group net income for the Relevant Financial Year, nor the distributable profit
 - In line with the General Partners' commitment, half of their dividend is blocked in the form of Rubis shares for three years

General Partners' statutory dividend

Aligning interests with shareholders

$$3\% \times \left(\left(\text{Recent share price} - \text{Reference Price} \right) \times \text{Number of outstanding shares} + \text{Cumulative dividend} \right)$$

Recent share price

Average of the opening prices of the last 20 trading days of the Relevant Financial Year

Reference Price

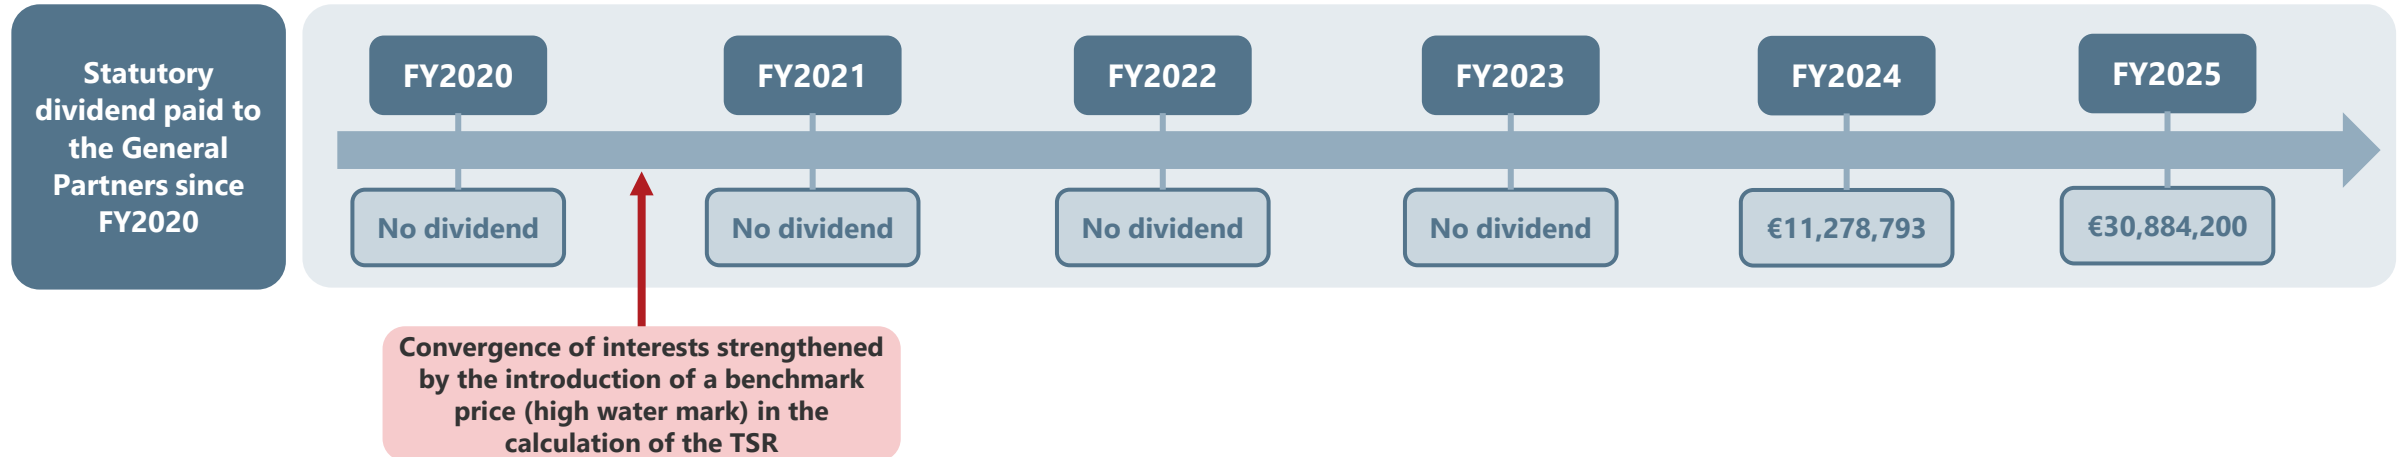

The highest among the averages of the opening prices of the last 20 trading days of the 3 financial years preceding the Relevant Financial Year

Number of outstanding shares

At the end of the Relevant Financial Year minus the number of shares held by the Company for cancellation at the end of the Relevant Financial Year

Cumulative dividend

Paid by Rubis to its Limited Partners between the financial year during which the Reference Price was determined and the end of the Relevant Financial Year

General Partners' statutory dividend

Working calendar

- Discussions are conducted in coordination with the SB and are informed with feedbacks from shareholder engagement program
- Contemplated EGM at the beginning of Q4 2026
- New formula would apply to the 2026 statutory dividend
- The SB will express an opinion on a revised formula, based in particular on the report of an independent expert

Reflections conducted in coordination between the Managing Partners and the SB
